

# ACM REPORT(2021-22)

DSCE ISE ACM Student Chapter

## About ACM:

ACM, the world's largest educational and scientific computing society, delivers resources that advance computing as a science and a profession. ACM provides the computing field's premier Digital Library and serves its members and the computing profession with leading-edge publications, conferences, and career resources.

## Student Chapters:

Student Chapters provide unique opportunities for networking, mentoring and bonding over common interests. They provide support both within the student community and to local communities outside the institution

## Student Chapter Member Benefits:

Individuals who are members of Chapters are known as ACM Chapter Members; ACM Chapter Members are eligible for the following set of member benefits:

- Complimentary Subscription to Communications - Chapter Members are eligible for a three-month complimentary electronic subscription to ACM's flagship publication Communications of the ACM.
- Receipt of ACM's Popular E-Newsletters – TechNews, the latest news in computing, 3x weekly; CareerNews, the latest career and industry news, bi-monthly
- A full-year electronic subscription to ACM's Student Magazine
- ACM Student Quick Takes (SQT) a quarterly email newsletter with each issue highlighting ACM activities, programs, and offerings of interest.
- **DSCE ISE ACM student Chapter** Organizes various technical events based on current trends and technology.
- Participate in different technical events such as webinars, seminars, workshops, conferences which enhances the knowledge.
- Participate in different coding contest, poster presentation and other events and get the recognition.

## Participation certificates of the students :

Jagruti Gajanan Bhat has got the 1<sup>st</sup> place in “VIVIFY” poster making competition held from Nov 14 to Nov 15<sup>th</sup> 2021 organized by CCET ACM Student Chapter of Chandigarh College of Engineering and Technology, Sector 26, Chandigarh, India

## Message from Student of DSCE ISE ACM student chapter

ACM student Chapter is an elevating platform for novice. In just 3 months span, there were several webinars which were conducted like Poster making, Flutter up and many more. It was organized by proficient. As a beginner, it helped us to understand the basics and how to start working on them. Alongside, there were tech related competitions which were conducted. It helped us to evaluate where we stand and mainly gave us a good exposure. In short, ACM has helped us to start working on our area of interest by providing us a platform where we could acquire new skillset. I am happy to be the Chair Person of DSCE ISE ACM student chapter. My Team members and I are looking forward for more such webinars and competitions.
